Commercial vehicles go to Kirtland Gate

The next time you purchase something that will be brought onto the base in a commercial vehicle, remember to tell the contractor or delivery service to use the Kirtland Gate at the west side of the base, off of Gibson Boulevard.

Commercial vehicles, re-

gardless of size, will not be permitted entry at the Wyoming, Gibson or Eubank gates.

The policy is part of a Kirtland AFB instruction supplement to Air Force Instruction 31-204, that became effective during higher security after the 2001 terrorist attacks.

Kirtland Gate hours are Monday-Friday, 6 a.m.-4 p.m.

On weekends and holidays, or during nonduty hours, contractor vehicles should enter at the Truman Gate.
